

**Resolution 13-1**

Adopted on August 21, 2013; Amended on June 20, 2015

By the Clallam County Central Committee

Be it resolved, that the Clallam County Democrats endorse the WAmend campaign and urge our members, other Democrats, and all citizens of Clallam County to get involved in and to enthusiastically support [Initiative-735](#), which calls for the passage of a U.S. Constitutional amendment clarifying that:

- corporations are not persons entitled to the human rights listed in the Constitution and the Bill of Rights;
- the spending of money to influence elections is not speech under the First Amendment;
- and,
- federal, state and local governments shall regulate, limit, or prohibit political contributions and expenditures and require their public disclosure.
